# Donkey Basketball Rules

- ★ Participants must be atleast 13 years of age and be with a parent or legal guardian.
- ★ Each Player **MUST** wear a helmet. We provide horseback riding helmets that are light weight and easy to wear, however you can use your own as long as it straps on.
- ★ Once matched with your donkey, you must remain off the donkey until the start of the game for everyone's safety.
- ★ When you enter the gym with your donkey, please line up at each end on the baselines with your teams/team mates.
- ★ After all announcements are made, National Anthem, everyone is reminded of rules, etc we will begin the game when the ball hits at the center of the court. At that time, you can ride or lead the donkey to the ball whichever works best.
- ★ One or the other players must be on a donkey for a pass to be made.
- ★ Players must be mounted to shoot, block shots, block players or donkeys, knock balls from others, steal the ball, block passes, etc.
- ★ There are no out of bounds, time-outs except emergencies, or fouls
- ★ Make sure everyone is switching out and each player has a chance to ride. Call for your sub, take donkey to your sub, lay out and scream, whatever works!
- ★ Teams and team mates can trade donkeys at any time
- ★ Pooper Scoopers are your friends! Please do not ride your donkey while messes are being cleaned up. If you have the ball, stay still until the game starts back up.
- ★ No "cherry pickers" allowed. All Donkeys must be herded to one end or another. Cherry picker shots do NOT count. The game referee will keep the donkeys moving in either direction. Half Court donkeys are your responsibility to move further.
- ★ During no point in the game will anyone be mean or act aggressive towards the donkeys for any reason. It will NOT be tolerated.
- ★ All players sign their waivers because Donkey Ball Entertainment and the Sponsors are NOT responsible for injuries or accidents.
- ★ According to the Equine Act, Under Ohio law, an equine sponsor or professional shall not be liable for any injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities.
